

“Imagination

is more important than knowledge.

Let go of what I am, I become what I might be.

Besides the noble art of getting things done, there is the noble art of leaving things undone. The wisdom of life consists in the elimination of non-essentials.

Lin Yutang

Life is not about waiting for the storm to pass. It is about learning to dance in the rain.

Sydney Parnous

Your task is not to seek for love, but merely to seek and find all the barriers within yourself that you have built against it.

Rumi

Asanas are not about the body, but about the mind. The body is just a tool to help you develop a stronger mind.

Through the useful advances in development of technology, we are moving towards a more advanced life.

Technology is just a tool. In terms of getting the job done, it is like a pencil or a hammer. It is not the teacher.

It is important to know when to stop. The teacher is not the one who knows the most, but the one who knows when to stop.

Bill Gates

Happiness is a habit. It is not a goal. It is a way of life. It is a way of thinking. It is a way of feeling. It is a way of being.

Knowledge is limited. Imagination encircles the world.

Albert Einstein
